

January 28, 2021

Patricia Jackson  
Executive Director  
Place of Restoration Resource Center

Dear Patricia,

On behalf of our residents at Seminole Ridge Apartments in Orlando Florida, *thank you so much* for the food boxes supplied on January 8, 2021. Our families work hard to make ends meet on a regular basis and now, during this Pandemic, their need is higher and benefit greatly from the generosity from groups such as yours. I know that the parents are so grateful to receive a big box of food that will provide several meals for the entire family.

On January 8<sup>th</sup>, we hosted our first resident resource fair with A Place of Restoration Resource Center providing **80 boxes of food for families in need** as the key enticement for residents. In doing so, we also partnered with other community-based nonprofits including the United Way, House of Timothy and Healthy Start of Orange County to participate in the fair and provide information on free services for our families. This was a wonderful opportunity to build awareness for our residents, provide them with free resources that they need while still being able to maintain social distancing during this Pandemic.

Once more, thank you so much for your partnership and your extraordinary compassion during these challenging times. Also, please extend our thanks to those who helped make these donations possible, including those who donate and support your organization. I have added a few photos from the resource fair and attached the flyer we provided to the families for your reference.

Should you have any questions or need anything at all, please reach out to me directly. My email is [arodriguez@kimc.com](mailto:arodriguez@kimc.com) and my direct line is (949) 619-6160.

Sincerely,

  
Anita Rodriguez, MA  
KIMPACT Program Manager

*Thank you so much!*
