Dear, Ms. Patricia,

Our Orlando Day Nursery School Family sends heartfelt thanks to you and your organization for the gift of your time and food resources. It was wonderful! We are so grateful that you chose us to serve and share with. Your gracious donations went right to our families and staff. Your food resources fed over 60 families and 20 staff members. We cannot thank you enough for sharing healthy food with our families and the community. Please monitor our social media pages and website as we document the progress and continue celebrating the generous support of our partnership!

With Heartfelt Gratitude,

Liz Franqui,

Center Director
