**Place of Restoration Resource Center**

**We want to take the time to give a big “Thank You” for the time you took out to come to our community to donate a box of food to our residents. Not only were they grateful but so were we. You were professional, caring, organized and went above and beyond.**

**We appreciate everything you did here at Castle Woods and hope that sometime in the future we can have the pleasure of working together again with you to help our residents.**

**May God bless you and your purpose with what you are doing. Thank you for your hard work and dedication.**

**Sincerely,**
