

Dropping Into Your Inbox to Say Thank You PORRC!  March 01, 2022

*a little **spark** of kindness can  
put a colossal burst of sunshine  
into someone's day*

Today, on National Share a Smile Day, we want to tell you that you make us smile! We are beyond grateful for the many ways you support our residents and bring to life the mission of building stronger communities.

On behalf of all our Staff and Board of Directors...

**Thank you!**
