PORRC Executive Director

On behalf of Keepers of the Flock Ministry, Inc., I would like to thank you, your agency and staff for your assistance with our Resurrection Outreach on March 9, 2022, in Orlando, Fla.

We appreciate your volunteers, your collaboration as well as the much-needed provision of food bags.

The guests that we were able to serve were very appreciative and so are we. The excellent service and partnership are greatly appreciated. We look forward to future opportunities to serve our communities together.

God bless you and thank you.

In His Service.
