Dear Ms. Jackson;

On behalf of New Mount Zion C.M.E. Church, I want to say thank you for the opportunity to partner with you and Place of Restoration Resource Center, for a food distribution for the community of New Smyrna Beach. It was the first time that we partnered with your non-profit organization. I will say that it was a pleasant experience! Your team was ready to serve the community, and we were able to provide food for approximately 60 families.

Since this was my first time partnering with Place of Restoration Resource Center, I really did not know what to expect. But, it was a great outreach, and I look forward to working with you again in the near future as we join together to reach more families, and to provide resources to our community.

Thank you again, and may God richly bless your ministry giving back to those in need!

Sincerely,

Jacqueline Nance Cockerham  
Pastor
